MSKF Events, 107 Vivian Road, Fenton, Stoke-on-Trent, ST4 3JG.

Your place is secure once payment is made.

Due to the nature of the training, the event is open to 7 year olds and above and those in good health

A Junior is from 7–15, Senior 15+, Dan grades of any age.

All normal sparring gear, hand pads, leg pads and gum shields should be brought by the student.

It could be beneficial for the student to be placed in a different category, eg., a student being 14 years old but regularly trains alongside 16 year old training partners and being the same height and weight, then it would be illogical to separate the 14 year old. It is up to the Instructor to write Junior/Senior categories with this in mind.

The Instructors lesson is designed for those teaching classes and those who are assistant teachers (dan grades) within the class
